

# Guest Information

We hope you enjoy your stay at Meadows End. Below is some information about the lodge and its' equipment – we hope you find this useful.

## Parking

Please park in the designated space next to your lodge. We would appreciate it if you would not park on the grass.

## Keys

You will have been advised of the code at the time of booking or on arrival. Please lock your key in the safe when leaving - lost keys carry a charge of £10

## Over Occupied Unit

If we find your unit is over occupied without prior approval then you may be asked to leave the park immediately or pay a supplement.

## BBQ's

Please do not use BBQ's on the wooden decking or on the grass. We have provided 2 breeze blocks outside on the slate for you to put the BBQ on. Please do not move the blocks.

## Smoking -including vaping / Burning of Candles

Smoking is STRICTLY forbidden in any lodge. If there is evidence of guests having smoked we will charge £250 for a deep clean. This also applies to the burning of candles. We have Hoseasons support in this and they will pursue the monies. We appreciate your co-operation in adhering to this rule for your own safety and for the comfort of incoming guests.

## Heating and Hot Water

Please do not touch the boilers. All lodges have room thermostats that you can adjust accordingly. Please contact us if you need any help with this. Please respect the environment by not leaving the heating on if not needed, or when you go out for the day. The lodges only drop 1 or 2 degrees during the day.

## Lights

Similarly to heating and hot water. Please do not leave unnecessary lighting when you are not in the lodge.

## Domestic Appliances

If you have any problems, please call the duty warden. An ironing board, vacuum, mop and bucket etc can be found in the coat cupboard. Cleaning materials can be found under the sink.

## TV's & DVD

All our TV's are smart and generally, the Internet is strong enough to support Netflix etc. We hold a small selection of DVDs -please contact us if you wish to borrow some.

## Rubbish collection

Please put glass bottles in a separate bag and all other rubbish in the black bins outside your lodge. The nearest local recycling site is in Grange Over Sands should you need to recycle anything large. All bins are emptied every Monday and Friday.

## Logs (except Romney, Corriedale, Merino and Shetland)

Logs are available to purchase from Stewart Barber (our groundsman) 07867 312631, If you wish to order logs to use during your stay from Stewart we advise you do so prior to your arrival. Or alternatively Lancasters, Spar in Grange Over Sands or Premier store in Allithwaite. Many local shops & petrol stations also sell logs and kindling.

## Accidents

We appreciate that accidents happen. However, we would be really grateful if you would inform us or leave a note if you do have one. This is to enable us to rectify things prior to the next guests arriving. NB: If a glass breaks in the dishwasher PLEASE try to remove all the broken glass safely, OR do not use it again until we have removed it for you. We have had several instances where pieces of broken glass have not been removed and have ended up in the water pump. This results in an engineering call, but most importantly means the next guests cannot use the dishwasher until the glass is removed.

## Fire Safety

All lodges are fitted with smoke and carbon monoxide alarms. A fire extinguisher or fire blanket can be found in the kitchen. In the event of a fire please vacate the lodge immediately and call 999 to report the fire. Please also inform the warden. For insurance and fire safety purpose, only guests stated at the time of booking are permitted to stop overnight in the lodge.

## Pets (Swardale Romney, Teesdale, Vendeen, Ryeland Lodges only)

Please ensure dogs are kept on a lead at all times. For the comfort and hygiene of other guests, pets are STRICTLY not allowed in bedrooms or on the furniture.

We appreciate your help in ensuring our furnishings are kept in good condition for other guests who may stay in this lodge without pets. Under no circumstances should your pet be left alone in the lodge.

## Hot Tub Maintenance

It will be necessary for us to check your hot tub during your stay in the lodge we carry this out daily between 7am and 7pm. On changeover days (Monday /Friday), the hot tub will be emptied from 8am. We apologise in advance for any disturbance or disruption this may cause.

## Left Items

We are more than happy to return left/lost items to guests. However, there is minimum charge of £10 plus the cost of posting to return an item. This is to cover retrieval of the item, packaging, travel to the post office and any postal charges. Payment is required before we post items back. Left items will be held for 2 weeks before being disposed of.

We have a warden on site 24 hours a day. Our wardens normal working hours are 9am till 7pm. If you have any general enquiries or non urgent maintenance issues, you can contact our duty warden between these times on **07585 973536** or via **meadowsendlodes@gmail.com** If an emergency arises out of normal working hours, please call the duty phone immediately.
